

# Building Parts Sketch Sheet

Name: \_\_\_\_\_

Directions: 1) Choose a building to observe. 2) Find two of its parts. Look for a **WINDOW, DOOR, STOOP, BAY WINDOW, ARCH, CORNICE, BRACKETS,** or **DENTILS**. 3) Draw and label one part in each box below.

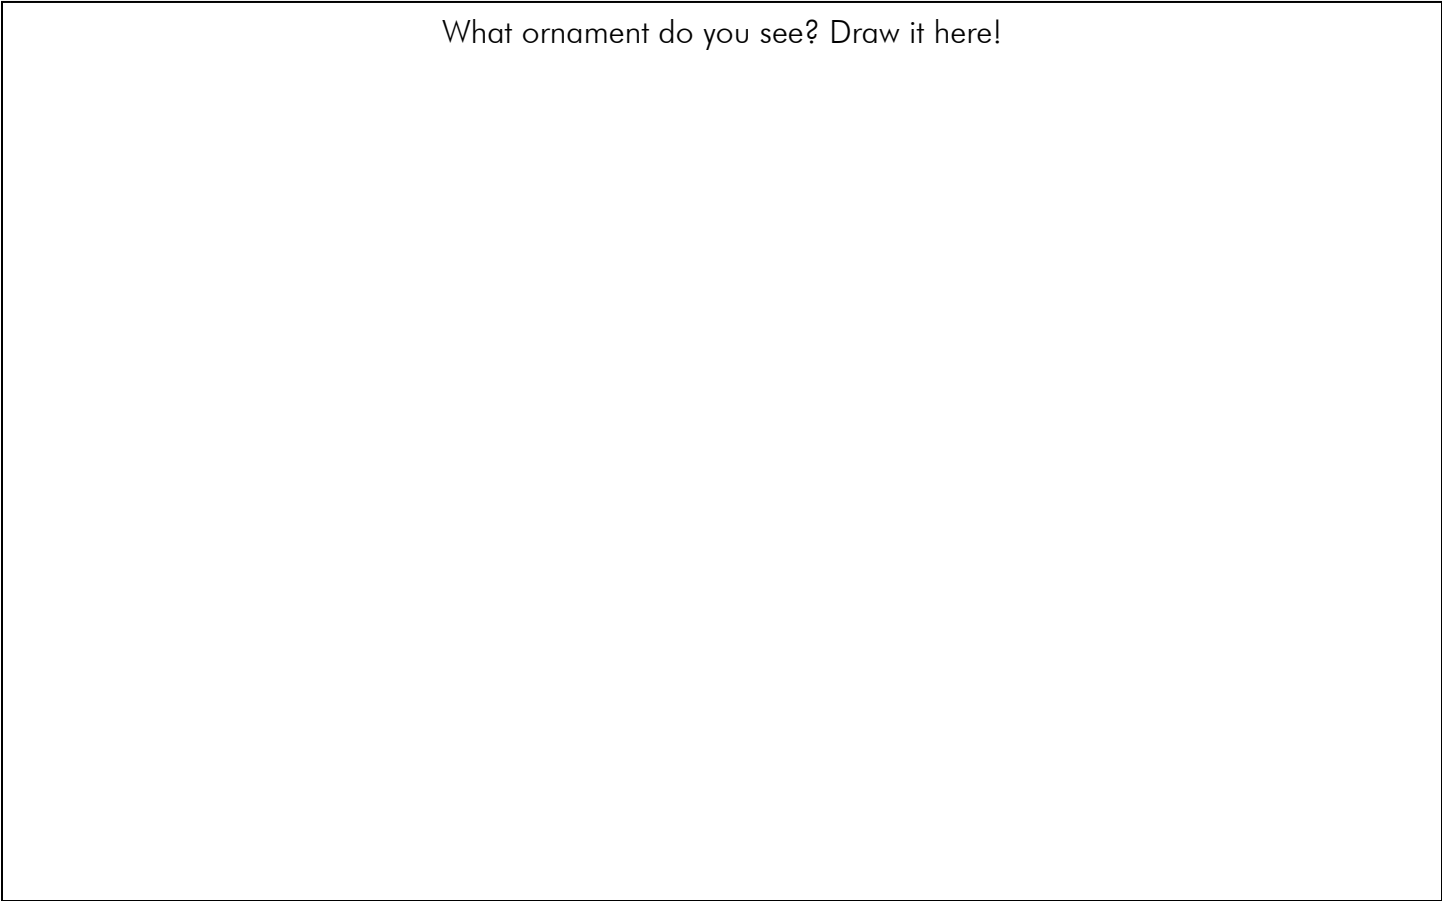

Building Part: \_\_\_\_\_

Building Part: \_\_\_\_\_

What ornament do you see? Draw it here!

# Building Façade Sketch Sheet

*Directions: Now, draw the entire building, including its parts. To get started, look at the shape of the building, then draw that shape on your paper. Focus on one part at a time.*
